

Together we will succeed Students, Staff, Parents & Community

Our Shared Vision

"Students Achieving Educational Excellence and Celebrating Success"

Our Vision is shown in Action by:

Staff:

- Connecting with students through our 'Total Communication' philosophy
- Enabling students to maximise their potential
- Planning balanced high quality, holistic programmes for all
- Establishing rich learning & teaching environments
- Participating in professional training & development
- Being reflective teachers & learners
- Showing respect & understanding of cultural values & diversity

Students:

- Being happy & contented in a safe & rich learning environment
- Experiencing Academic & Social success
- Experiencing seamless & positive transitions
- Developing a voice through 'Total Communication'
- Participating in & contributing to their community
- Developing & using their skill needed for inclusive living
- Developing an understanding & appreciation of diversity

Our Shared Values

Through our philosophy of Total Communication

Respect	We treat each other with respect & honesty	Celebration	We have fun at school, celebrating & enjoying each others successes
Teamwork	We acknowledge the interdependent nature of our work	Communication	We meet student learning within a collaborative culture
Professionalism	We strive for excellence in everything we do
